

Édition Lingerie
Berlin, Germany

UI DESIGNER

ABOUT OUR COMPANY

At Édition Lingerie, we create digital products people love, improving the way in which women find and buy their perfect bra by offering an intuitive and enriching experience. We are the “Digital Lab” of Groupe Chantelle, a French lingerie maker with 142 years of history, managing a portfolio of intimate apparel e-commerce sites for thousands of customers across the globe.

WHO WE ARE LOOKING FOR

A passionate and meticulous designer who values that the user should be at the heart of every interaction. With the help of your researcher, technologist and designer colleagues, your pixel-perfect designs should guide customers through engaging and unique experiences, while creating value and a lasting impact. We cultivate human interactions not only in our products but inside the company, which is why we need a motivated and fun person to work with and join the team!

WHAT YOU'LL DO

- Be a great team player, experienced in working with agile teams. Ability to collaborate with developers, copywriters, art directors and UX designers
- Create wireframes, storyboards, user flows, process flows and site maps to effectively communicate interaction and design ideas
- Turning user problems in simple and functional UX solutions
- Conceptualize ideas that bring simple and user friendly experiences
- Establish and promote design guidelines, best practices and standards by using detailed and well organised design systems

WHAT WE EXPECT

- 3 or more years of experience working in UI/UX/Design
- A strong portfolio consisting of delightful, interactive visual designs that display your creative and thinking process
- Hands-on experience creating wireframes, prototypes, storyboards
- Experience using tools such as Photoshop, Sketch, Illustrator, InVision
- A beautiful mind full of creative ideas which likes to be challenged
- A deep empathy for the user
- Excellent visual design skills with sensitivity to user-system interaction
- A curiosity for the latest UI trends, techniques, and technologies

WHAT WE OFFER

- Modern and spacious office in the heart of Berlin
- A dynamic, vibrant and highly motivated team
- Autonomy and space for your input and creativity
- Open minded and friendly attitude in the workplace

Let's talk - we'd love to get to know you!
